

## STÖK-BBATIONALS PROGRAM RESPONSIBILITIES & QUALIFICATIONS

**Overview:** Ready for a STÖK-bbatical? Ready to take a break from your job and get paid to pursue your passions? Are you sitting at your desk struggling over what font to use or which formula to plug into your spreadsheet?

It might finally be time to (temporarily) “fire yourself” and apply for this once-in-a-lifetime opportunity. Seriously. There’s so much awesome out there in the world. What are you waiting for?!

**Qualifications:** Must be a legal U.S. resident currently residing in the continental U.S. and age 21 or older. Must have an awesome STÖK-bbatical dream. We are looking for someone who is creative, passionate and authentic. Applicants must have the ability to dream big and articulate their ideal STÖK-bbatical experience in writing and create a vision for their future, or at least for a few weeks.

**Required Skills (What we are looking for):** Must be able to explain in 300 words or less what is your dream and why you are the right person for this experience. You must be able to experience your awesome STÖK-bbatical dream of choice for 2–4 weeks sometime between October 1 and December 15, 2019. Committed to capture, share and allow STÖK to share your STÖK-bbatical experience on social media using video and photos.

**Stipend (The Perks!):** Paid travel expenses — flights, lodging and your STÖK-bbatical experience (up to \$20,000) along with a \$10,000 stipend.

**How to apply:** If you have an awesome dream you’ve always wanted to do, but haven’t taken that leap yet, send an email to [SToK@icfnext.com](mailto:SToK@icfnext.com) any time from now until 11:59 pm EST on Labor Day (Monday, September 2), with a maximum 300-word summary of what you do now for a living and what you wish you were doing if you had \$30,000 to do it. Please note: by sending your email, you agree that your 300-word summary may be posted on STÖK’s website and/or other social media sites or applications associated with the STÖK-bbatical experience. By sending your email you represent and warrant that your content submission is original and that it does not contain any material that would defame or otherwise violate or infringe upon the rights of any third party.

**The Selection Process:** We will review all applications on a rolling basis to identify the strongest applications. Top candidates may be subject to follow-up questions by email, a phone screen and review of one’s social media. The finalists will be scheduled for a virtual video interview. On or about October 1, ICF Next, the Administrator, will select the three potential hopefuls. The potential hopefuls will be notified via email. Each potential hopeful will be required to enter into an Agreement with the Administrator (ICF Next) whereby the hopeful will agree to share their STÖK-bbatical experiences and

grant STōK the right to share such experiences and any content created during the STōK-bbatical. If a potential hopeful cannot be contacted via email or if he/she decides not to enter into the Agreement or sign other required document within the required time period, or if potential hopeful is unavailable to embark in their STōK-bbatical experience within any time period specified by Administration, we will award the applicable prize to an alternate hopeful selected by Administrator. The final selections will be at the sole discretion of the Administrator.
