

## TAKING A SToK-BBITICAL

Dear \_\_\_\_\_ ,

This may seem like an odd notification, so please brace yourself...

Please accept this letter as notice that I will be **TAKING SOME TIME OFF AND TOTALLY FIRING MYSELF** (but not really) from my job here at \_\_\_\_\_ two weeks from today's date to pursue my dreams of \_\_\_\_\_ and \_\_\_\_\_ and \_\_\_\_\_ on a SToK-bbatical. I plan to return to work on \_\_\_\_\_.

In case you or HR are wondering, a SToK-bbatical is an awesome sabbatical made possible by the SToK Cold Brew Coffee company. Yes, I'm firing myself to go on a sponsored sabbatical. What a time to be alive.

Thank you for the support and opportunities you have provided me since \_\_\_\_\_. If there's anything I can do to help until I return from my SToK-bbatical and un-fire myself on \_\_\_\_\_ please don't @ me.

If it's not obvious enough, I'm asking that you please hold my job while I'm gone. ~~In the event that~~ When I do return from \_\_\_\_\_ on \_\_\_\_\_ I will probably have lots of watercooler content and free cold brew samples to share.

Sincerely,

\_\_\_\_\_
